

High quality sound and Luxurious feel

MADE IN JAPAN

# TB-SP550 RAIJIN

## 雷神 zero 壺

\*Raijin is the god of thunder in Japanese folk beliefs and Shinto.

- We planned this product with the image of a loud thunderous sound.
- Sound Pressure exceeds 85dB (Equivalent to ISO14878 AWD Class 1)
- We do not only plan products that reach 85dB or higher, but also provide high quality sound and a luxurious feel.
